(vi) Institutional set-up for liquidity risk management

The company has in place a board approved ALM Policy and Risk Management Policy. Further, the board of directors of the Company has an overall responsibility and oversight for the management of all the risks, including liquidity risk, to which the Company is exposed to in the course of conducting its business.

The company has in place an Asset Liability Committee (ALCO), which functions as the strategic decision-making body for the asset-liability management of the Company from risk return perspective and within the risk appetite approved by the Board. The meetings of ALCO are held at quarterly interval. The minutes of ALCO meetings are placed before the Board of Directors in its next meeting for its perusal/approval/ratification. The main objective of ALCO is to assist the Board in effective discharge of the responsibilities of asset-liability management, market risk management, liquidity and interest rate risk management and also to ensure adherence to risk tolerance/limits set up by the Board.

In addition to that, the company has in place a Risk Management Committee (RMC) for the effective supervision, evaluation, monitoring and review of various aspects and types of risks, including liquidity risk, faced by the Company. The meetings of RMC are held at quarterly interval.
